## Our Mission

*“Helping young people and families  
succeed by serving them in their  
home, school and community.”*

2014 ANNUAL REPORT

## One Year Can Make A Difference!

Youth Service Bureau has much to be thankful for this past year. As the newly appointed Executive Director, building and renewing strong community bonds has been critical to our organization's success. YSB continues to reach a strong network of advocates and supporters, together creating meaningful, long-term relationships. We strive to increase and broaden our services to support those who we serve.

We look toward our future to assist deserving children, adults and families with encouragement and hope in their daily lives. YSB responds with tremendous care and loyalty to support 20 counties within Illinois. The response to our services has been tremendous. Emphasizing our message to serve children and families in their home, school, and community remains steadfast. YSB's mission is one agency serving all needs as its top priority, to all neighborhoods that we are called into. The strength of our agency is our staff, retaining 1/3 of employees who celebrate tenure of at least five years or more with YSB. We are honoring an employee who has been with YSB for 30 years.

I have highlighted some of YSB'S most recent achievements for **2014**: (1) Maintaining a balanced budget throughout a difficult economic time at the state and federal level. (2) Expanding the **Parenting** program in the Rockford region. (3) Sustaining **Hope House** and its commitment to providing a supervised visitation program for children with a history of domestic or child abuse, achieved without federal grant support. (4) **Medicaid Treatment Program** Audit passed successfully with ratings within 90% state percentile compliance. (5) **Redeploy** Illinois program expansion into both Bureau and Grundy counties. Direct staff recognition for successful implementation of the **"Parenting with Love and Limits"** model. This program is projected to achieve stellar performance measures that only a small percentage of child welfare agencies have been able to accomplish on a national scale. (6) Excelling in a Department of Children and Family Service Fiscal four day audit. (7) Achieving **Level 2 Benchmark** evaluation status for all YSB Foster Care teams conducted by the State of Illinois. (8) **CQI** (Continuous Quality Improvement) audit concluded that YSB programs are at an excellent capacity to conduct CQI activities and produce reliable data.

I reflect on the many achievements our agency has gained proficiency in. We continue to accelerate our programs and exceed our goals in providing the highest standards for our families. YSB strives to be **transparent and accountable**. That is my promise to you.

Along with that promise comes tremendous effort and support. Without the continued support of our many friends and donors, none of our services can reach their truest potential. Your gift will make a difference. I look to Individuals and corporations that sponsor our agency with the hope that each will realize how we can grow together and strengthen our surrounding communities. Your generosity provides a new opportunity, another chance, or opens a door for a child or family to overcome hardship.

**Thank you for all you do to support YSB,**

## How the Blue Ribbon Began

*Child Abuse Awareness Month first began in 1983, but the blue ribbon symbolizing child abuse awareness did not appear until 1989. Bonnie Finney wanted to remember her grandchildren and all children who have suffered from abuse. Bonnie Finney inspired the blue ribbon child abuse campaign. In remembrance of her grandson, Bonnie tied a blue ribbon to her van antenna. When Bonnie was asked why she chose the color blue, she said "I never intend to forget the battered, bruised bodies of my grandchildren. Bruises are black and then eventually blue. Therefore, blue serves as a constant reminder to me to fight for our children."*
